prior to April 1882 Peter Brough lived on Elm
St Manchester N. H. where he now has a wife and
children who refuse to live with him and
his right name & find is Peter B. Shiatte
he has often been arrested for Larceny and
other crimes and is known as a thief by
the Police in Manchester N. H. John O. Flynn
now is in Fall River Mass. is a sort of a
bad brat and dissipated and only passed
one counterfeit dollar furnished him by Brough.
Flynn made a complete Confession to me as I
reported and no doubt Brough would have
made these counterfeit dollars as long as
he could have got Flynn or some one
else to pass them. Flynn was ready to take
the witness stand against Brough but we
did not use him. as Brough admitted
to me he knew the coin was counterfeit
before it was passed.

At 8.30 a.m. reached my office at 9 a.m. I left word to the
Jail for Charles L. Brown and took him before the
U.S. Commissioner and made two complaints against him
for passing off foreign coins. The case was continued
until July 18th, after two hours spent with Brown
I found that he had the silver coins gold plated
at Wm. Russell's. Providence R.I. and at 12
m. I went to Russell's place, he admitted gilding
six for Brown, and also that I had notified him
not long since not to gild nickels or any coins of
this or any other country. I told Mr. Russell

AN EXPLANATION.
To the Editor of the Herald: For the first
time in my life my name appears unfavorably
in the public prints, and, that my friends may
know my position, I would like to state the
facts which are not always gained in hurried
accounts. Mr. McShane noticed me some
months ago that I went out for five-cent
cokes. I asked him how about giving,
and about other cokes, and he said I was not
to change the color of any United States coin.
I find very positive the words United States
were used. At any rate, I was
not to tamper, in regard to color, with the cur-
rency of the country, and I have religiously
followed his instructions. I have told my cus-
tomers I would do nothing out of United
States coins. I have lost business by it, as
some of my patrons leave their other gold
work where the coins are done. I know they
are done and have tried to get positive proof
that I might have it stopped, in justice to my-
self and others who are obedient to the law.
The accused in this case is an entire stranger,
and I could not identify him if my life de-
pended on it. I have been so busy for
several weeks that I have hardly re-
spected any one who entered the shop,
and felt that I was hardly civil to customers,
my mind was so intent upon special orders
that had to be done on time. I could not tell
even if what I sold were gold or medals.
I simply guessed at them to satisfy myself
they were not United States coins, and passed
them to my patron. I did not know weeks ago.
I think two more in a week or so, and Fourth
of July week three—in all six, at 25 cents each
—not very heavy counterfeiting on my part.
When the last three were taken away, it oc-
curred to me that he might not be making
proper use of them, and I resolved not to do
any more until I found out who he was and
his business. My conscience is as clear as a
bell as to any wrong doing, however the law
may construe my actions.

Sir,

operative of this District for Three days the 22^d
day of July 1884, written at Boston
Massachusetts, and completed at 9 o'clock P. M. on the
25th day of July 1884.

In Boston Mass.

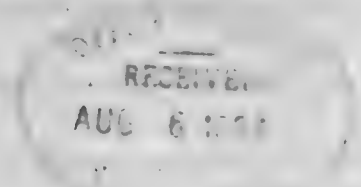

at 8 A.M. reached my office completed and made report
for previous days. Remained in the office most
of my time until 5 P.M. when I went home,
during the day I had three calls from "gold
platers" asking for information as to gilding
coins when one side had been smoothed and
a new design or name cut thereon. I warned
them not to gild any part of a coin. They
were mostly ten cent pieces to be used as
a bracelet or bangles.

The following are my charges for services rendered

of two ofts in their town down town about
June 1st last; While the Pequonock National
Bank at Bridgeport Conn. said that about
May 1st money was passed in their city,
after seeing all their parties in Danbury who
the notes had been traced back to as far as
they could go. it seem to be evident that
they took them around if not third handed
but could not tell who gave up about
trying to give any description of the persons.
I looked over the Hotel registers and tried to see
if some of them could not remember any
strangers being in the city in May last, but
failed, I counted all the notes. and left Danbury
at 3 P.M. and arrived at Bridgeport Conn.
at 4 P.M. Called at Police Head Quarters to learn that
these ofts first made their appearance in
Bridgeport April 30th or there abouts and the Police attention
was called to it next day. When Detective
Frank Taylor was put on the job - I found
Taylor who said he could not get any kind
of a description of the parties who passed
(Taylor thinks) some ten notes in Bridgeport

of the three men I called upon and looked
at their 5¢ notes. none could tell from whom
they took them or the time, as they passed them
again and had to take them back.
Detective Taylor says, one man on May 1st
described the party he took his 5¢ from, as a
man 30 years old. 6 feet high, weight 200. Well dressed
thick set and sandy complexion, smooth face.
This man, who Taylor would not give me his name,
took this bill April 30th and gave the above
description next day - Taylor will send me a
full list of all notes passed in Bridgeport last
spring. I find by looking, that the paper in Danbury
and Bridgeport Corner. mentioned that 5¢ 10. note
series 1875 was in circulation, about June 1st -
I wish to add that Charles Crosby and John Hoyt the
lives in Danbury was the person that the local
official suspected, Crosby did pass one of these
5¢ notes about Aug 9th and has since given
to Newbury St. 4, which made them think he
was the original thief. Mostell circus was in
Danbury Aug 9th - These 10. 5¢ U.S. notes, White
head made this appearance in Boston June

Operation of this Detail, Friday 11. 17th

day of October 1894, stationed at Boston

Massachusetts and completed at 9 o'clock A. M. on the

18th day of October 1894

In Boston Mass-

at 8.30 A.M. I reached my office, received the Enclosed letter dated at New York 14th Oct 16th and signed by Mr. Drummond. Stating he had a good case in New York against McElwain for passing a \$50. I replied as follows: "The U.S. Atty wishes you would send him the facts in the case with the names of the witnesses so he can get them here in time for trial Oct 28th of Frank McElwain."

At 3. P.M. I received the Enclosed telegram dated at New York Oct 17th and signed by Mr. Drummond. Asking me to hold McElwain should he be discharged.

I remained at the office most of my time during the

6
this house and upon entering he asked for the doctor
and was told he had gone to Boston and would
return to see they looked the house over finding
a room in the attic where Dr. Davis had made off
Coin. finding brownish plaster Paris mold with the
millinery cut off all except two a pair two cup battery
and about twenty five pounds of black tin or also
some brushes - The office waited from 3 to 7 P.M. before
the Dr. returned when they arrested him with
a package of \$1000 of dollars under his arm Dr. Davis
confessed all is true today saying the \$100. was it had
been given to Geo B. Coram yesterday in Boston. but
he failed to find him - Davis blames Coram for getting
him to make these off Coins and says he has made
none for any other person. Dr. Davis claims he used
to live in Lowell where the Corams got him
first at this but they made a false of it. then
he went to New Bedford where he finally done
better after trying a while and it was then (Oct
25) he wrote the Corams and furnished them
with money or the lot they passed in Lawrence
\$100. he states says he also did furnish them
with something over a hundred before Oct 25
but fails to give amount or date -

a 'grab' taking all the bill from Porter except
about an ^{inch} from each end which Porter tore off.

held onto him after a hard struggle in which both had their clothes torn nearly of them going across the Street to No 4 North St where two Policemen came up and took Duinlun to the Police Station doing nothing more - I find enough in the two pieces where I called upon Porter at 501. 7th St today to show it is one of those Webster head Cft '10. I then went to 273 Washington St and looked for two hours between that and 4 North St to find the balance of this note, finally a "Book Black" told me he saw a black man early this morning pick up something on the walk in front of No 4 North St - and it looked like a "green back". I tried all day to find this "black man" and at 7 P.M. returned to Station 2. and was informed by "Duinlun" that his right name was Frank McElvigh. that he lived on Theperance hill, Gray N.Y. and that he came over from New York City Saturday arriving in Boston at 6 P.M. and was arrested two hours afterwards. Operations of this District on Friday the 30th

Massachusetts, and completed at nine o'clock A. M. on the
2^d day of February 1885.

In Boston Mass.
at 8 A.M. I reached my office, at 10 A.M. Officer
Danl. Hayes and Geo. W. Draper of Lowell Mass.
called, Draper stated he had a chance of getting
counterfeit U. S. notes in Portland Maine. that a man
by the name of "Ash" now in Lowell was going to
introduce him to the party. I replied it was only
a swindle and that they would never see anything
but good money. Which they would not get -
Draper looks to be sharp and quite confident and
if he can not get up a counterfeiter, he is going
at his own expense to Portland Maine -

PITTSFIELD & BOSTON MASS.

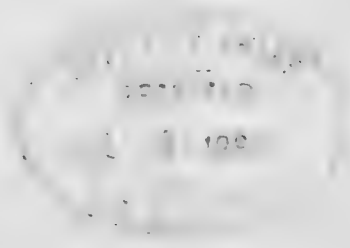

At 6 A.M. I called upon the family of Mr. Smith and talked with the wife, Mrs. Smith, who was found at Mr. Smith's house. They are the wife of John Smith, they have an apprehension of the fact that Mr. Smith is dead since they was visited by Mr. Smith. There was one of Mr. Smith's children one of 1st, Northampton Mass. He is a fine looking man, 21 years old, 5' 6" U.S. Army March 1. 1863. When I went to the jail to see Mr. Smith, he seems to be some one I know. I saw him when I found this child, many years ago. I know it was Mr. Smith. I was very satisfied in the fact and at 4.30 p.m. I left the jail. I was at the Boston House at 10 p.m.

The following are my charges for the service rendered.

learned in some other way that J. H. Weber had another U.S. bank certificate for \$500. of the denomination of \$500. 24 of March 1885. The bank is at present in Montreal P.Q. and that he would lend for it at once and turn it over to me. I took his deposition today also. Also Jones, Master Engineer is that he purchased in Jan. 1886 of Charles Adams at Sherbrooke and alleged P.Q. \$2000. in all. U.S. Bonds paying for the same \$2000. in Cash and \$500. in two checks, one for \$500. and the other for \$500. on the Consolidated Bank of Canada at Sherbrooke P.Q. that Adams soon disappeared and he has never seen him since. That he spent much money and time trying to find him. Had heard his right name was Charles Hayes, that he employed J. W. Williams & S. Cordier as J. W. C. Light & J. and others to find Charles Hayes alias Adams. It is found that the \$500. U.S. Bond was worthless & was or so after he purchased it but never knew the four \$500. was worthless until Oliver Snow informed him about Sept 1st 1885. Enclaved below find all the letters and papers J. H. Weber had with him today. Also Adams with them please return them to me. Enclaved also below find the four \$500. Enclosed please find a letter dated at Boston
Nov 8th and signed Edward Miller, in which it
is suspected parties might be making counterfeit
coin in a room over 48 Winter St Boston Mass.
I first knew this "Miller" at 149, Northampton St. At
the time I found so much of material. He
was rooming in the same house with "Hatcher";
Hatcher is now been a detective in New York City
for years. I took over little clock in his store.
Still I will have an eye to 48 Winter Street,
I was out doors for a short time today -

JUMPED HIS BAIL.

The bondsmen of Henry W. Norcross, alias Corey, are anxious as to his whereabouts and are diligently seeking for him, and, as an inducement for his return to this city, have offered a large reward. The defendant was recently arrested in this city for working the "saw dust" scheme on innocent countrymen of the province. He was indicted in the United States circuit court today.

It is stated that they have in business transactions taken quite a number of counterfeit half-dollars of the date of 1880. By their latten appearance and greasy smoothness they can readily be detected. Many are of the opinion that the spurious coin is made somewhere near the town. Reports come from many of the villages along the Cape of the sudden appearance in their midst of this same 1880 coin.

Handwritten text, likely a letter or report, is visible below the printed section. The text is mostly illegible due to fading and bleed-through from the reverse side of the page. It appears to contain several paragraphs of text, possibly detailing the case of Henry W. Norcross or the counterfeit coin issue mentioned in the printed section.

One came in until Jan 16th for the purpose
of having the other time to look him up.
I wrote you as Drummond as follows: John
Mellum who is 27 yrs. 5 ft 10 in. dark complexion, black
curly hair, dark mustache, is under arrest here, he claims
he is a barber and worked there month last summer at
2nd Chatham St. New York. Please see what truth there
is in his statement - I received your letter dated Jan
8th enclosing your claims, which I today forwarded by mail
to Mr. H. Parker Pittsfield Maine. I left office at 4.
He called as owner of the large retail store paid out that
a few half dollars dated 1831 had been refused as counterfeit
since some at 5th Ave. received your telegram of this date.
and note what you say as to the Muller case.
Have been unable to get to find any law in the
state to reach him. Rules for having boy's tools in his
possession - I now have hope of holding for the Grand Jury.
The following are my charges for services rendered
and expenses incurred this day.

~~CONFIDENTIAL~~

at the District Department.

Two sports were having a high old time in a house on Rottenwood street. The house was being ordered with a speed that brought it to the heart of the mistress of the establishment, and the young ladies were putting it away at a pace which gave evidence of their capacity as well as their desire to assist in depoting the purses of the youngsters. As madam's order was paid for at the rate of two hundred per cent. profit it can easily be understood why the young gentlemen were encouraged to go on with the game. So far as madam could see she was a big winner and when, later on, the visitors consented to do something for the four young ladies, madam could find no reason for objecting. It was after two o'clock in the morning when the boys took their departure—loaded to the brim. "A pair of beautiful flits," was madam's comment as they retired, and each girl echoed the sentiment. But madam and her ladies sang a different tune when the breakfast hour arrived. They then discovered that every greenback which the sports had passed over the counter was a barefaced counterfeit, while the change given by madam was the genuine part of the haul. That the house people were wild gone without saying, and the one thought was revenge. One of the youngsters was known to the mistress, so on Thursday last she consulted a legal gentleman as to the best course to pursue to bring the sports to justice. It is rumored that to-morrow there will be issued a warrant for the arrest of this young man on a charge of passing counterfeit money, and if this is done there will be something for the boys in a certain broker's office to talk over for several days. The other fellow will be brought to the front as soon as his identity is made known.

a piece of news. We visited Mr. Burns

this money was raised was in a house

wrote it Putnamwood, to through their

and being in foreign gold, the immediate
of the gold on which it was made was
American called again and so passed
for gold of the same denomination.
He was told that the gold was stolen
his wife going to Europe and she
wanted to take American gold with her.
This the bad people believed to be a lie
as no one takes American gold, as
they are too English gold cheaper in
this country. He said they came
from what he called them called at
St. James then at St. James and at last
he was stated in effect that a man & woman
were using the description of silver "English"

coin clippings. He remained in his place
about a week, then while he smelted the
gold they gave the excuse of remaining so
long that they were strangers in the city
and did not want to wear a round, and
could wait until the gold was smelted

came here to take a special course at the
Dental College. He said for what
gold he wanted for Gold, he paid Gold 10.00
in the value of gold per pound. The
weight difference was not important in the matter
on the ground that he claimed nothing further.
At one time he returned to the office and
found Asst. Wood had returned I having
instructed him on his way to office that he
to go to Management unless he could
locate John Wright left at 12.40. I had
several descriptions cards of the "rap".
I left one with Mr. John Wright Capt. of the City

I instructed Asst. Wood that after finishing his
reports and some other official work, that
he would be excused until Monday morning
as he was suffering from a very sore throat
and high fever. After visiting the
Police, I went to the Theater neighbor-

for my father's house. I arrived

house. I found that the door was
locked and I called out. I heard

to the door and I found a woman
who afterwards proved to be Mrs. John Duffy.

work men what he saw in the house
and in one of the cotton mills.
He kept his head out of the window
and I had to carry the entire sheet.
The house is the best house in the town
on account of its position. The three sides were
a block in width. I think if we could
get on the hill top which is about two
or half block west we could see from
near the house from either the front or
rear. At 11:00 AM I came to the office
having taken the 11:10 AM train from Mon-
rovia. I was engaged at the office
until 3:00 PM, when I left and went
home. You have excused me on
account of a very sore throat and
saying fever. The kindly told me
to return at home next Monday
morning.

The following are my charges

day.

case. I next called on A. Richmond
and learned the following at about 7:15
P.M. on April the 11th. I was in Mrs. Beck's
store when a man came in and bought
five boxes of candy at 20¢ per box. My
attention was drawn to him by his
suspicious actions in looking at
the candy and watching me, and
I then gave him particular notice to
him. He took out a long pocket book
and handed the girl a \$10 bill in
payment for the candy, and she
said have you not got any smaller
and he said no, and showed her more
of the \$10 notes that were lying bright
in the pocket book and then handed
the bill to Mrs. Beck and she said
she did not have the change and
I then changed it for her.
About two or three minutes after
the man went out, I again looked
at the note and saw he looked

I think that is bad. I ran out of

passed it. I ran down 5th St

persons if they saw a Japanese going

looked there and could not see him.
I then went into Mr Joseph Ellett

 will get out the paper

 dress, called I want on his hat
 and left notes, and I found out right.
 I was engaged in the office and I
 lost little as usual. I was surprised
that she was there at 10:30.
 I met the same lady. and she told
 me quite a long story. she says
 very much about her and watching her
 (and thinks the whole world is in a
 state of doubt she is right for it has that
 appearance & she says the Duke & Duke
 mean and in fact everyone around me
 in it. she thinks that we are making
 a mistake and the Duke is a
 gentleman but her story is all the great
 that has gone before Christian

 than about the boy of age and

I have not yet been able to find out
and send me to office Waller who
took the bill. I succeeded to learn the
occurrence. Waller gave me Richardson's
description of the man, on form #1.
After learning Mr. Richardson I went
and called on Mrs. Waller who told
it, who keeps a candy store, and
who received a similar record note
only a "Prisoner's Bill" as mentioned
in my report of the 8th inst. I wanted
to see if Mrs. Waller could describe
the man that passed the bill.
After trying to refresh her memory
in different ways she failed to
remember ^{how} the man looked.

I made inquiry at other candy
stores in the vicinity but did not
learn of any other bills being passed
or then came to the office
where I met Mr. C. C. Smith of Mahanoy
City who called in response to my
request to his wife on the 6th inst.

Silver dollars rolled out, and
the man seemed to be much
excited while putting them up

out with salaries.

After questioning her when the man

others with salaries went, she
said that in the 2nd story back
room of 2221 (later 2222), people
were going in and out all the time
and that tenants who occupied
the room were strangers and
she was never there, and that
they had lived there about a

go away and be gone for a

In Philadelphia Pa.

where I had been told they had a left

who he had been about one year
ago but left at the Sub. Treasury
at 9:00 a.m. at the office on 1st Street
last night at 10:00 a.m. I received the
following telegram Washington D.C. 4/15/94

and the reason she had not reported
this before, she was afraid to touch
the republicans, and she saw by one
of the daily papers that the General
had changed and she concluded to
join it. (She was so full of every
thing but politics!) I will give
that strict attention and see if
there is any thing in it.
After changing the particulars and
the mention the matter to any one
we left and took a look over the ground
but owing to the inclemency of
the weather we could not stand
around so we came to the

to fill my reports and to 6.15 p.m.

off money right now and if I
not need watching to return
to Phila. We left at 2.20 P.M. for
the train. At 2.30 P.M. George H.

and accompanied him to Mr. Richards
2200 West 4th St. and he accompanied us
to the different variety theatre and museum
and through the different streets in search
of the supposed Japanese who passed
the bill on Mrs. Beck. We learned
that there was a lot of Japanese at
Forepaw's Winter Quarters at [unclear]

them as the man who passed that bill

the money to his father Michael

doing so Ex. of St. Louis was
standing by the window and when
he Graham offered the money Quidner

The first, as it was known to him
by Quinn's report, and Quinn claimed
to have received it from Quinn.
And Quinn says that for the past
two months. Strange and well
dressed Italian have been traveling
on mileage books from New York
to this place. And he also said
he knew Leo Donalotto had been going
back & forward to New York. and he
was known to be a Padrone who had
been furnishing the Italians for
the new water works. He also
said there was an other well
dressed Italian who comes there
from New York who had a mileage
book # A 35310 the name on the
Mileage book was Joseph Chenerole
and described him as being 175 lb
33 or 34 years old, 5 ft 7 in soft
black felt alpine hat dark clothes
And he Quinn saw him with Leo
Donalotto many times, and one

said he had thought of the clerk's name as
a commissioner. Belcher office in Washington
who loaned the copy of the diploma to a
friend to have photographed. The clerk's
name is "Brewster".

At 1.30 P.M. I returned to the office, at
about 2.30 P.M. Mr. Chas. E. Hare called
and said he thought that there had
been about 1000 checker boards given
out, and he would try and get all he
could returned, and said his printer
Thomas W. Tyler of New York had a lot
more of them on hand and would
surrender them to me by calling for
them. As Mr. Hare is anxious to have
the matter settled I advised him to go to
Washington, D.C. and consult Chief Yarn
on the matter. He said that he would do
so. I would suggest that Mr. Hare
be made pay the expense of carrying
the cases to the office as other help
had to be hired and there two large

people in New York she said she
did not know until Monday when
she would let him know as she
was going to move there next

address and he promised to at
once let me know where Donalberto

I then went and got a look at
Peter Cocchini who keeps the fruit

Cartanini at Mohonk City. His description
is as follows 5 ft 6 in weight 140 lb

160 lb, slightly round shoulders. Speaks

There was to have been the election but
will have to be unpacked to be brought
to the office. At about 3.30 P.M.
I went before U.S. Atty. Jackson and
made complaint on information and
belief against Walter S. Jackson under
Sec 1414 revised statutes. For uttering
and passing a \$2.00 U.S. Silver Certificate
paid to \$10. on or about April
7th 1894. I made oath to said facts.
U.S. Commissioner Bell made out
a warrant for arrest and gave the
same into the hands of the U.S.
Marshal. I returned to the office
and was there engaged until 6.30
P.M. when I left for the night.
During the day I wrote my report
for the 14th inst and mailed same to
Wash. I also wrote the following letter
to Mr. Hugg, San Antonio, Texas.
Dear Sir,

Your letter of the 16th inst
addressed to the Hon Secretary of the

of the Conductors had told him
(Lucia) that this same Italian in
company with an other (whose descrip-
tion I could not get) had accompanied
two girls belonging to Shamrock to
New York and paid their way.
Thus he thinks was about the middle
of March - He also said that 71
Italians had left for New York via
the Lehigh Valley R.R. about March the
20th. He had not seen Cheverole
around since March the 30th.
He also had seen the young Italian
described in company with
Donalitto but thinks he went to
New York & he thinks Donalitto is
also in New York. As Mrs Donalitto
came to him on Friday to make
arrangements for sending her
Honey Hord goods to New York.
when he asked her what point
in New York she wanted them shipped
to. as they have three shipping

from in Shennandoah six years.
Come there from Boston. I then asked
one Mr. McClenny who said he had
learned from a friend Italian
that Joseph Santarini of New York
City was an old tramp and
had lived in Boston and New York
and knew all the bad Italian
men. He also learned that Blas
Cecchini formerly lived in New York
and used to make plaster images
there - he also was acquainted
with all the bad Italian men.
Cecchini visited Italy last summer
and brought out an Italian girl
who he claims is his wife;
McClenny's informant said that
Angelo Bianchi works for Le. S.
Donatello and sells the poor relations
their groceries - he did not know
any thing more about him.
I returned to the hotel as it

New York city via Penna R.R. arriving
there at 7.25 A.M. had breakfast
and at 9 A.M. called at 130 West
24th St. and saw Mr. Hylie of the
firm of Thomas & Hylie lithograph-
ers who got out the copy of the
World's Fair Diploma, advertise-
ment for Chas. E. Hise & Co. of
Phila. Mr. Hylie said that he had
made the add. for Mr. Hise from
a copy of the Diploma that

had been published in the "Youth Com-
panion" paper and did not know
that it was a violation of law. that
he had now on hand about 11 or 2
copies of the Diplomas on the back
of a Checker Board and these were
now at their plant at 456 Cherry
St. and since they were notified by
Mr. Hire they had not let any of the
copies leave their possession. Now all
they had made about 25000 He also
said they had the six (6) stones from
which the copies were printed from,
but could not give the clipping of
the paper that they took the copies
from. I marked the stones thus:
"H J M. M. # 21 74" and they were tagged
aside until they received an order
from this Division for them to be
rubbed off as they were too heavy
to move. The New York Office
W. K. L. then gave orders by telephone
to deliver all the checker boards with

the impression there on my mind.
I then visited Mr. Cherry, at which
the foreman said he only could get
your cases packed to day, and said
the balance would be delivered on
Monday. As they have a half holiday
on Saturday and quit work at 1 P.M.,
after that time the men will not
work; Mr. Hyler instructed his team-
ster to deliver cases at the P.O.
Bldg. At 11 A.M. I reached the
New York office and met Speckle and
Elfish, Squirell, Quinn and
Callaghan. Mr. Scanton being
home sick abed. I had Speckle of
Callaghan accompany me to
the Custodian's office, on seeing
him, I made arrangements
with him to let this division store
the cases of goods captured from
Thomas & Hyler in the sub cellar
as they could not be taken to
the office. At 12:15 P.M. I called

at 200 Broadway to see Mr Est. Buck
and was told he was out and might
not return to day but to call
again about 3 P.M.

Returned to the news office
and at 1 P.M. sent the following
telegram. It was paid 30¢ New York
to 200 Broadway Washington D.C.

of goods came from Thomas and

any one in the Bldg to help
me get the cases in the sub alle.
I hired the men at 25¢ per man
and put the cases in the
Vault and locked up the same

that gentleman gave Mr. Wilson
permission to copy and publish
in the "Youths companion" a copy
of the diploma. whereupon I took
a sketch from a copy of the
diploma that he had in Mr.

of Mellins Food Co. and the Youths
Companion are connected they
published the diploma as a

Print Co. got him (Buck) to make
an add. for them with the same
copy of the diploma and he made
about 30,000 copies the last of
which was delivered to them
about a month ago.
I have had some correspond-
ence with the Youth Companion
Co., about this matter, since
the question of violating the
law arose. And they claim
that they have under Mr. Thatcher's
signature permission to copy
and publish the World's Fair
Diploma. He also stated that
he understood that the Kimble
Press Co., of Chicago some two
or three months ago published
a very handsome copy of the
diploma as an advertisement.
Mr. Buck also said that the

in Phila Pa.

Arrived at the office at 8.40 a.m. and was
busy with reports and boxing up contraband
property to be shipped to Office of Chief
during the forenoon. Dept U.S. Marshal
Myers came in and said the Police
had run two men in for passing
off money and were to have a hearing
before U.S. Commissioner Craig.
That he went down and took the evidence

1160

which was as follows. That officer Smith of
the 6th Dist Police had on 4/24/94 arrested
Alfred Jones alias Morane and M. Barnes for
attempting to pass a cft standard silver
dollar on Peter Marguel of #844 Christian
St. in payment for 5¢ worth of greens.
The Marguel's story is this that the defendants
came in and gave him the dollar he did
not have the change and went up stairs
and was told it was bad came down and
told the defendants it was bad and
they said that money is all right
try and change it next door he
went next door and was told it was
bad there so he (Marguel) call the
officer, and he arrested them. And
when the Commissioner asked them
if they had any thing to say they replied
no. So he held them each in \$300,
dollars bail to appear at the
next term of Court and in default
of same sent them to the City
jail. And after getting the goods boxes

161

Had same taken to the B & O Freight

as there was some dice and copper
amounting the lot he sent these
by express as he did not want
to trust it by freight - and at
5.15 P.M. left and went to the Adams

for me and left it at the Hotel
Burdick with instruction to
